Coffee Breaks

A group of people are gathered in a room with a black and white checkered floor. In the background, there is a fireplace with a mantel decorated with greenery and red flowers. Several people are holding white cups, suggesting a social event or a meeting. The room has large windows on the left and a patterned rug in the foreground.

Highlights

Logistics

- Do not forgot to sign the Villa Lanna Guest Book (at the Villa entrance)
- Do not forget to pay for your accommodation at the reception desk of Villa Lanna and return your room key
- Photos on AXRO web/Gallery 2023
- This year NO Proceedings

Suggestions for AXRO2024

- Invite representatives of X ray optics/telescopes projects which never attended our workshop ... suggestions welcomed, e.g. India. We sent invitations but no answer.
- Invite more people from laboratory X ray optics community? This year not really succesful.
- Extended session on X ray test facilities (H. Brauningner: Key are the measurements)
- Project splinter sessions such as NewATHENA
- More missions?
- Keep the one year interval..... for many this means 2 years.

Thanks
